Maya Kamaty, artist, is the daughter of renowned artist Gilbert Pounia (Ziskakan). Maloya was born out of the oppression of enslaved African and Malagasy people. It became a defiant symbol of identity and was thus banned by the authorities until 1981. Her father's involvement in the liberation of this style influenced her own, and it has since evolved into what she likes to call Kreol Urban Pop, bridging the traditional and modern. **Maya will be in performance in Jodhpur in December 2023.**
